Has your situation changed since you bought this policy?

Your Holiday Extras travel insurance policy is here to cover you for any sudden and unforeseen accident, illness, loss or damage which is beyond your reasonable control, and you would have been asked when you paid your premium if you were aware of any circumstances which could possibly result in you having to make a claim; so you must also tell us if anything happens between the date you bought the policy and the start of your trip that might mean that you have to claim on the policy.

We are reasonable people, and we want you to feel reassured that you've 'got it covered' but it's essential that you notify us of any changes; so please, give us a call - if you don't keep us updated you could find your claim is limited or turned down, we want you to have the right cover.

So, you should tell us if you have visited a medical establishment because of:

- a change in your health;
- a new diagnosis;
- a new course of treatment;
- a change in medication;
- a referral from a GP to a clinic, hospital or specialist for tests.

If we feel that anything you tell us might increase the chances of a claim, we may ask you to pay an additional premium, or we might change the policy terms. If we feel that the increased risk is too great, we might tell you that we cannot cover you at all.

If you do have to tell us about a change in your health that has occurred since you bought your policy please give us a call on:
